

Food. The preparation and fellowship in sharing a meal is one of the practical ways we care for our church family. At Community Church, food takes on a number of different ministry I.D.s. and each area touches many people. It takes many hands to prepare and this is where you come in. It doesn't matter if you are a man, a woman, a student, a gourmet chef, shop at the deli, or frequent the drive-through, you can be involved.

OPPORTUNITIES TO SERVE IN THE KITCHEN MINISTRY:

**Looking

Community Catering—Stacy is looking for someone with a passion to become a chef's assistant. Also, needed are people to help prepare food, offer decorating assistance, or help with table set up prior to an event. We need people willing to help clean-up, etc. after the events are over, also.

Bereavement Ministry—This ministry serves to extend Christ's love and support to bereaved families by providing a pan of bars or a salad at a reception following a funeral service at church.

Special Events—This ministry assists in preparing and serving food for special events such as baptisms, business meetings, and membership classes (usually on Sundays).

Donut Ministry—These people make coffee, set out and serve beverages and donuts between services three Sunday morning each month.

Comforts of Home—This once-a-month break from "the donuts" offers snacks like popcorn or fresh-baked cookies between Sunday services.

All of these "serving" ministries are utilized frequently in caring for our church family. We are in need of more volunteers to meet the needs of our growing family. If you'd like to "test the waters" and see if this ministry is a good fit for you, why not volunteer to help at the church picnic? Try it once and see if the Kitchen Ministry is for you. If you are available to help in any way, please provide your name and phone number, check the box(es) designating your desire of involvement, and place in the offering plate or at the Welcome Center.
